2) The necessity for the extra hand is explained in paras 1 & 3 of the Registrar's letter. While the Dr Magte recommended the addition as a temporary measure, the Judges of the Chief Court are of opinion that it maybe permanent, as there is no object in keeping it temporary unless the Munsiff is thus relieved of magisterial work by and by.

4) The actual increase in the work civil or criminal has not been pressed shown in the letter under disposal. The Dr Court recommended that the Munsiff might be invested with Second class powers on the ground that he had light civil work. When copy of this letter was sent to the Chief Court, they agreed to the investment from the Dr Judge report that the work has increased & approved in principle the proposal.

S i r ,

On the representation of the Munsiff of Maddagiri who was invested with the powers of a magistrate of the second class, Vide Government Order No: J.225/Cts. 301-15-4 dated the 13th of July 1916, that the civil work of his court has been on the increase and that a separate clerk is necessary for doing magisterial work, the District Magistrate of Tumkur recommended to this Court the entertainment of a temporary clerk on Rs 25/- in the Maddagiri Munsiff's court.

2 The District Judge of Bangalore was called upon to report whether the civil work of that court is so heavy as not to allow the bench clerk to attend to criminal work also and whether a clerk was allowed while the Munsiff was invested with criminal powers on previous occasions and to submit a recommendation in the usual course in case an additional clerk is considered absolutely necessary for the purpose.

3 The District Judge in his letter No: 2461/293 dated the 22nd December 1916 reported that the civil work of the Maddagiri

Maddagiri court has been on the increase on all sides and that the existing establishment is found inadequate to cope with it and recommended the appointment of a clerk on Rs 25/- per mensem temporarily for doing the criminal work.

4 I am directed to state that the Judges agree with the District Judge that an extra hand is necessary but they think that there is no object in making the appointment temporary unless there is an idea of relieving the Munsiff of magisterial work. I am therefore to forward herewith a proposition statement providing for a permanent extra hand on Rs 25/- to the establishment of the Maddagiri Munsiff's court and to request that the Government may be pleased to accord sanction to it.

5 I am also to state that the extra cost involved by this proposal may be met from the lump sum provision of Rs 2000/- for the temporary process establishment.
